

Villa Ector

Region: Costa Blanca Sleeps: 8

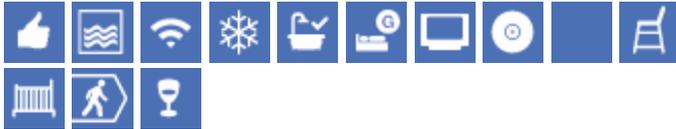

Overview

This charming, squat little turret of a villa is situated to take advantage of some of Costa Blancas most beautiful and popular towns. As the electronic gates swing open, you'll realise just how beautiful the view from your new home are, with nearly 180 degrees of sea surrounding you.

There are four spacious and colourfully decorated bedrooms, all with ensuites. The master bedroom is up a gently curving flight of stairs to the top of the tower, where the fresh air and sunlight off the sea are sure to invigorate you.

There is also a separate apartment accessed separately on the same level as the balconied patio, which boasts a huge pool near the edge of the balcony. Feel free to sit back, relax, and plan your days adventures as the carefully tended mediteranean plants climb the walls around you.

Location & Local Information

The Villa is situated closest to two of Spain's most wonderful holiday towns, and we highly recommend you visit one or both during your stay. Javea and Moraira are nestled between mountains and the sea, the jewels of the ever popular Costa Blanca's crown. However they haven't sold out to the tourism boom and as a result their charming waterfronts, parks and beaches are rarely crowded.

There is a huge range of local shops and markets along with supermarkets for more basic necessities, and a huge range of international cuisine if you fancy something different. Most exciting is the traditional Moraira morning fish market situated in the town's marina, where that morning's catch attracts eager crowds of visitors and locals.

Well serviced by a huge variety of restaurants, supermarkets, bars and shops and a short drive from golf, theme parks, water parks, safari parks and many other things to do, both of these towns know what it takes to keep a holiday maker happy or entertained.

Activities for adults include art galleries, local shopping, Jet Ski hire, water skiing, deep sea fishing, diving tuition and equipment hire, tennis courts, a golf course and mountain bike hire. However the town is also truly child friendly. Specially designed parks are situated throughout the town along with mini-golf and funfairs. The beaches are safe, well kept and accessible from the main town through a lush series of parks that negates the need to cross any roads.

If you wish it is always possible to escape the madding crowd and seek serenity in any of the multitude quiet coves along the coastline, or immerse yourself in the Spanish culture that the Costa Blanca still proudly preserves as the backbone of its traditional outlook. This has stopped it from going the more commercial way of some of Spain's other popular holiday destinations, and it maintains its natural beauty and authenticity as a result. This is Spanish hospitality at its finest and most genuine, and those who visit are bound to return.

The Costa Blanca has no end of adventures, and if you need to travel further afield, it is also an easy drive to Gudalest, Benidorm, Calpe, Javea, Valencia, Alicante and Denia.
